## **SUPPLEMENTAL RECRUITMENT ACTIVITIES**

**DECEMBER 1, 2016- NOVEMBER 30, 2017**

### **LISTING OF EACH UPPER-LEVEL CATEGORY OPENING IN A JOB BANK OR NEWSLETTER OF MEDIA TRADE GROUPS WHO'S MEMBERSHIP INCLUDES SUBSTANTIAL PARTICIPATION OF WOMEN AND MINORITIES.**

The licensee advertised all upper-level job openings over the past year through the VAB Job Bank web site. Regular on-air announcements advise listeners of the web site and encourage job seekers interested in broadcasting careers to visit the site regularly.

### **JOB FAIR HOSTING**

The licensee co-hosted a job fair on April 12<sup>th</sup>, 2017 with the Vermont Department of Labor- Employment and Training Division at the Reserve Center on Post Road, Rutland Town, Vermont from 1-3 pm. Peter Colomb, Sales Manager attended, and was available to answer any questions on broadcasting careers in general and potential opportunities at Catamount Radio.

Prior to the event, all (5) radio stations, WZRT, WJEN, WSYB, WJJR and WDVT ran announcements asking for local businesses, charities and no profit organizations who are interested in having a booth at the job fair to contact the VT Dept. of Labor. These announcements ran for a 10-12 day period. One week before the Job Fair, the announcements were changed to reflect those businesses and non-profits that would be there and the message was targeted at people who are looking for a job, full, part time or seasonal. At least four of our radio stations broadcast live from the job fair, interviewing employers and job seekers during the 4 hour event.

### **PROGRAMS SPONSORED BY EDUCATION INSTITUTIONS RELATING TO CAREER OPPORTUNITIES IN BROADCASTING**

During the reporting period, the licensee participated in a high-school program in which a student spent a day at one of the stations shadowing a staff member to learn about broadcasting and career opportunities.

Terry Jarrosak, Operations Manager, Teaches Communications at Castleton State College.
